

# **Did you know a Peer Educator could visit your unit?**

**Peer Educators are Senior Section Members trained to provide sessions to Brownies, Guides and Senior Section units.**

**They can run sessions on Healthy Relationships (safe friendships and how to be a good friend for Brownies), Girls Learning to Lead and the Free Being Me resource (all about body confidence). These sessions are tailored to the unit with specific topics relevant and developed to the age group. They can be requested and discussed beforehand!**

**If you are interested in a visit, or would like to find out more information, contact Tara Molloy – [taramolloy@sky.com](mailto:taramolloy@sky.com) , 07475676051**
